## WOOP WOOP CHARDONNAY 2009

Woop Woop, a much uttered knockabout colloquialism, refers to somewhere in the middle of nowhere. Woop Woop is quintessentially Australian for “out there”.

In true big country Woop Woop mode, Chardonnay grapes were sourced from credible South Australian wine regions, namely the Adelaide Hills.

The Adelaide Hills is gaining credibility the world over for growing magnificent white grapes, like Chardonnay. The unequivocally cool climate and very old podsolic soils over an ironstone/gravel base of low to moderate fertility is ideal for growing conditions. Quality in the 2009 vintage was high due to the optimal ripening periods during February and March.

From delicious, crisp stone fruits combined with hints of lemon blossom and skins of lime, Woop Woop Chardonnay from Vintage 2009 is a medium-bodied, richly fruity, dry wine suited to consumption over the next year or so.

Tank fermented with minimal lees contact, this classy unwooded refresher shows distinctive aromatics and a well-balanced palate. Made with much enthusiasm by winemaker, Ben Riggs and his team, Woop Woop Chardonnay will compliment a wide variety of meal choices, especially those with an ocean association.

Woop Woop Chardonnay, a classic Australian that’s “out there from out there!”
